Compulsory pension changes affecting all employers!

Auto-Enrolment has been introduced by the Government to address the issue that most employees do not have work place pensions. Auto-Enrolment will mean that every employer within the UK will need a qualifying pension scheme or face substantial penalties.

Crowthers Chartered Accountants are holding two Auto-Enrolment seminars using a speaker from “The Pensions Regulator”.

Refreshments will be provided and the seminars will start at 12pm with an aim to finish by 2.30pm.

Local Independent Financial Advisors will be available at the seminar to provide any further information to help you comply with the new regulations.

To book your place, please call Claire Perkins on 01386 552644 or book by e-mail at clp@crowther.co.uk before Friday 13th February.
